1. On June 29, 2009, UMF was merged into United Growth & Income Fund (UGIF). The Unit Holdings of all UMF investors (as of June 29, 2009) were converted to UGIF Income Units.
2. Securities and Exchange Commission of Pakistan issued Circular number 1 Dated January 6, 2009 regarding Valuation of Debt Securities Provisioning Criteria of Non Performing Debt Securities. The Provisioning Policy of UBL Fund Managers Limited is in accordance of the same. The Debt securities held by Collective Investment Schemes managed by UBL Fund Managers Limited were marked down during the year 2008-9.

As of December 31, 2012, Rs. 1,498.133 million provisioning and mark to market adjustment were made in UGIF against NPA's and other corporate debt instruments, in conformity with the SECP circular 1 of 2009.

3. Further sale of units in United Growth & Income Fund was temporarily suspended on 12th October 2011.
4. The Finance Act, 2008 introduced an amendment to the Workers' Welfare Fund Ordinance, 1971 (WWF Ordinance). As a result of this amendment it may be construed that all Collective Investment Schemes / mutual funds (CISs) whose income exceeds Rs.0.5 million in a tax year, have been brought within the scope of the 'WWF Ordinance, thus rendering them liable to pay contribution to WWF at the rate of two percent of their accounting or taxable income, whichever is higher. In this regard, a constitutional petition has been filed by certain CISs through their trustees in the Honourable High Court of Sindh (SHC), challenging the applicability of WWF to the CISs, which is pending adjudication. Subsequent to the year ended June 30, 2010, a clarification was issued by the Ministry of Labour and Manpower (the Ministry) which stated that mutual funds are not liable to contribute to WWF on the basis of their income. This clarification was forwarded by Federal Board of Revenue (FBR) (being the collecting agency of WWF on behalf of the Ministry) to its members for necessary action through letter dated October 6, 2010. Based on this clarification, the FBR also withdrew notice of demand which it had earlier issued to one of the mutual funds for collection of WWF. Notices of demand have also been issued to several other mutual funds and the matter has been taken up by the respective mutual funds with the FBR for their withdrawal on the basis of the above referred clarification of the Ministry. However, the Secretary (Income Tax Policy) Federal Board of Revenue vide letter dated January 04, 2011 subsequently cancelled ab-initio the clarification letter dated October 06, 2010 on applicability of WWF on mutual funds.

On December 14, 2010, the Ministry had filed its response against the constitutional petition requesting the SHC to dismiss the petition. According to the legal counsel who is handling the case, there is a contradiction between the aforementioned clarification issued by the Ministry and the response filed by the Ministry in the SHC.

During the current period, the Honorable Lahore High Court (LHC) in a similar Constitutional Petition relating to the amendments brought in the WWF Ordinance, 1971 through the Finance Act, 2006, and the Finance Act, 2008, has declared the said amendments as unlawful and unconstitutional. The Management Company is hopeful that the decision of the LHC, will lend further support to the constitutional petition

which is pending in the SHC. Based on the above, the Management Company believes that the Fund is not liable to contribute to WWF. The unrecognized amount of WWF as at December 31, 2012 amounts to Rs. 43.215 million.

- The management company is entitled to remuneration for services rendered to the Fund under the provisions of the NBFC Regulations, of an amount not exceeding 3 percent of the average daily net assets of the Fund during first five years of the Fund's existence and thereafter an amount equal to 2 percent of such assets of the Fund. The management company charged remuneration at the rate of 1.5 percent per annum of the average daily net assets of the Fund during the period. Effective from 01 July 2011, Sindh Revenue Board under Sindh Sales Tax on Services Act, 2011 has applied Sales Tax on all services rendered by Non-Banking Financial Institution. The Sales Tax is being charged @16% on Management Fee paid/payable to the Management Company.

4. The Finance Act 2008 introduced an amendment to the Workers' Welfare Fund Ordinance, 1971 (WWF Ordinance). As a result of this amendment it may be construed that all Collective Investment Schemes /mutual funds (CISs) whose income exceeds Rs. 0.5 million in a tax year, have been brought within the scope of the WWF Ordinance, thus rendering them liable to pay contribution to WWF at the rate of two percent of their accounting or taxable income, whichever is higher. In this regard, a constitutional petition has been filed by certain CISs through their trustees in the Honorable High Court of Sindh, challenging the applicability of WWF to the CISs, which is pending adjudication. Subsequent to the year ended June 30, 2010, a clarification was issued by the Ministry of Labour and Manpower (the Ministry) which stated that mutual funds are not liable to contribute to WWF on the basis of their income. This clarification was forwarded by Federal Board of Revenue (FBR) (being the collecting agency of WWF on behalf of the Ministry) to its members for necessary action through letter dated October 06, 2010. Based on this clarification, the FBR also withdrew notice of demand which it had earlier issued to one of the mutual funds for collection of WWF. Notices of demand were also issued to several other mutual funds and the matter was taken up by the respective mutual funds with the FBR for their withdrawal on the basis of the above referred clarification of the Ministry. However, the Secretary (Income Tax Policy) Federal Board of Revenue vide letter dated January 04, 2011 subsequently cancelled ab-initio the clarification letter dated October 06, 2010 on applicability of WWF on mutual funds.

On December 14, 2010, the Ministry had filed its response against the constitutional petition requesting the SHC to dismiss the petition. According to the legal counsel who is handling the case, there is a contradiction between the aforementioned clarification issued by the Ministry and the response filed by the Ministry in the SHC.

Subsequent to the year ended June 30, 2011, the Honourable Lahore High Court (LHC) in a Constitutional Petition relating to the amendments brought in the WWF Ordinance, 1971 through the Finance Act, 2006, and the Finance Act, 2008, has declared the said amendments as unlawful and unconstitutional and struck them down. The Management Company is hopeful that the decision of the LHC will lend further support to the Constitutional Petition which is pending in the SHC. As the management is confident that the matter will be eventually settled in its favour and the WWF will not be levied on the Fund, no provision has been made in respect of any WWF liability. The aggregate amount of unrecognised WWF liability amounts Rs. 8.75 million as at December 31, 2012.

5. Effective from 01 July 2011, through Sindh Sales Tax on Services Act 2011, general sales tax on fund management services has been imposed at the rate 16% effective July 1, 2011. Management fee charged during the period includes general sales tax.

List of Composites

Significant Event

1. Board of Director has in principal approved that UCIF should be restructured as an Islamic Equity Fund.
2. Securities and Exchange Commission of Pakistan issued Circular number 1 Dated January 6, 2009 regarding Valuation of Debt Securities Provisioning Criteria of Non Performing Debt Securities. The Provisioning Policy of UBL Fund Managers Limited is in accordance of the same. The Debt securities held by Collective Investment Schemes managed by UBL Fund Managers Limited were marked down during the year 2008-9. As of July 17, 2012, Rs. 15.87 Million provisioning and mark to market adjustment were made against NPA's and other corporate debt instruments, in conformity with the SECP circular 1 of 2009.
3. Management Fee of United Composite Islamic Fund included in UBL Islamic Balance Composite has been reduced to 2% from 24th December 2011.
4. The Finance Act 2008 introduced an amendment to the Workers' Welfare Fund Ordinance, 1971 (WWF Ordinance). As a result of this amendment it may be construed that all Collective Investment Schemes /mutual funds (CISs) whose income exceeds Rs. 0.5 million in a tax year, have been brought within the scope of the WWF Ordinance, thus rendering them liable to pay contribution to WWF at the rate of two percent of their accounting or taxable income, whichever is higher. In this regard, a constitutional petition has been filed by certain CISs through their trustees in the Honorable High Court of Sindh, challenging the applicability of WWF to the CISs, which is pending adjudication. Subsequent to the year ended June 30, 2010, a clarification was issued by the Ministry of Labour and Manpower (the Ministry) which stated that mutual funds are not liable to contribute to WWF on the basis of their income. This clarification was forwarded by Federal Board of Revenue (FBR) (being the collecting agency of WWF on behalf of the Ministry) to its members for necessary action through letter dated October 06, 2010. Based on this clarification, the FBR also withdrew notice of demand which it had earlier issued to one of the mutual funds for collection of WWF. Notices of demand were also issued to several other mutual funds and the matter was taken up by the respective mutual funds with the FBR for their withdrawal on the basis of the above referred clarification of the Ministry. However, the Secretary (Income Tax Policy) Federal Board of Revenue vide letter dated January 04, 2011 subsequently cancelled ab-initio the clarification letter dated October 06, 2010 on applicability of WWF on mutual funds.

On December 14, 2010, the Ministry had filed its response against the constitutional petition requesting the SHC to dismiss the petition. According to the legal counsel who is handling the case, there is a contradiction between the aforementioned clarification issued by the Ministry and the response filed by the Ministry in the SHC.

Subsequent to the year ended June 30, 2011, the Honourable Lahore High Court (LHC) in a Constitutional Petition relating to the amendments brought in the WWF Ordinance, 1971 through the Finance Act, 2006, and the Finance Act, 2008, has declared the said amendments as unlawful and unconstitutional and struck them down. The Management Company is hopeful that the decision of the LHC will lend further support to the Constitutional Petition which is pending in the SHC. As the management is confident that the matter will be eventually settled in its favour and the WWF will not be levied on the Fund, no provision has been made in respect of any WWF liability. The aggregate amount of unrecognized WWF liability amounts to approximately Rs. 6.40 million as at July 17, 2012.

5. During the period, through Sindh Sales Tax on Services Act 2011, general sales tax on fund management services has been imposed at the rate 16% effective July 1, 2011. Management fee charged during the period includes general sales tax.

Significant Event:

1. The Finance Act, 2008 introduced an amendment to the Workers' Welfare Fund Ordinance, 1971 (WWF Ordinance). As a result of this amendment it may be construed that all Collective Investment Schemes /mutual funds (CISs) whose income exceeds Rs.0.5 million in a tax year, have been brought within the scope of the 'WWF Ordinance, thus rendering them liable to pay contribution to WWF at the rate of two percent of their accounting or taxable income, whichever is higher. In this regard, a constitutional petition has been filed by certain CISs through their trustees in the Honourable High Court of Sindh (SHC), challenging the applicability of WWF to the CISs, which is pending adjudication.

In July 2010, a clarification was issued by the Ministry of Labour and Manpower (the Ministry) which stated that mutual funds are not liable to contribute to WWF on the basis of their income. This clarification was forwarded by Federal Board of Revenue (FBR) (being the collecting agency of WWF on behalf of the Ministry) to its members for necessary action through letter dated October 06, 2010. Based on this clarification, the FBR also withdrew notice of demand which it had earlier issued to one of the mutual funds for collection of WWF. Notices of demand have also been issued to several other mutual funds and the matter has been taken up by the respective mutual funds with the FBR for their withdrawal on the basis of the above referred clarification of the Ministry. However, the Secretary (Income Tax Policy) Federal Board of Revenue vide letter dated January 04, 2011 subsequently cancelled ab-initio the clarification letter dated October 06, 2010 on applicability of WWF on mutual funds. On December 14, 2010, the Ministry had filed its response against the constitutional petition requesting the SHC to dismiss the petition. According to the legal counsel who is handling the case, there is a contradiction between the aforementioned clarification issued by the Ministry and the response filed by the Ministry in the SHC. During the current period, the Honorable Lahore High Court (LHC) in a similar constitutional petition relating to the amendments brought on the WWF Ordinance, 1971 through the Finance Act, 2006, and the Finance Act, 2008, has declared the said amendments as unlawful and unconstitutional. The Management Company is hopeful that the decision of the LHC, will lend further support to the constitutional petition which is pending in the SHC.

Based on the above, the Management Company believes that the portfolio is not liable to contribute to WWF. The unrecognized amount of WWF as at December 31, 2012: Rs. 2.151 million.

2. Effective from 01 July 2011, Sindh Revenue Board under Sindh Sales Tax on Services Act, 2011 has applied Sales Tax on all services rendered by Non-Banking Financial Institution. The Sales Tax is being charged @16% on Management Fee

Significant Event

1. The Finance Act, 2008 introduced an amendment to the Workers' Welfare Fund Ordinance, 1971 (WWF Ordinance). As a result of this amendment it may be construed that all Collective Investment Schemes /mutual funds (CISs) whose income exceeds Rs.0.5 million in a tax year, have been brought within the scope of the 'WWF Ordinance, thus rendering them liable to pay contribution to WF at the rate of two percent of their accounting or taxable income, whichever is higher. In this regard, a constitutional petition has been filed by certain CISs through their trustees in the Honourable High Court of Sindh (SHC), challenging the applicability of WWF to the CISs, which is pending adjudication. In July 2010, a clarification was issued by the Ministry of Labour and Manpower (the Ministry) which stated that mutual funds are not liable to contribute to WWF on the basis of their income. This clarification was forwarded by Federal Board of Revenue (FBR) (being the collecting agency of WWF on behalf of the Ministry) to its members for necessary action through letter dated October 06, 2010. Based on this clarification, the FBR also withdrew notice of demand which it had earlier issued to one of the mutual funds for collection of WWF. Notices of demand have also been issued to several other mutual funds and the matter has been taken up by the respective mutual funds with the FBR for their withdrawal on the basis of the above referred clarification of the Ministry. However, the Secretary (Income Tax Policy) Federal Board of Revenue vide letter dated January 04, 2011 subsequently cancelled ab-initio the clarification letter dated October 06, 2010 on applicability of WWF on mutual funds. On December 14, 2010, the Ministry had filed its response against the constitutional petition requesting the SHC to dismiss the petition. According to the legal counsel who is handling the case, there is a contradiction between the aforementioned clarification issued by the Ministry and the response filed by the Ministry in the SHC. During the current period, the Honorable Lahore High Court (LHC) in a similar Constitutional Petition relating to the amendments brought in the WWF Ordinance, 1971 through the Finance Act, 2006, and the Finance Act, 2008, has declared the said amendments as unlawful and unconstitutional. The Management Company is hopeful that the decision of the LHC, will lend further support to the constitutional petition which is pending in the SHC.
Based on the above, the Management Company believes that the Fund is not liable to contribute to WWF and, hence, provision in respect of WWF has not been made by the management. The unrecognized amount of WWF as at December 31, 2012 amounts to Rs. 21.43 million in USIF and Rs. 14.239 million in UGSF.
2. Effective from 01 July 2011, Sindh Revenue Board under Sindh Sales Tax on Services Act, 2011 has applied Sales Tax on all services rendered by Non-Banking Financial Institution. The Sales Tax is being charged @16% on Management Fee paid/payable to the Management Company.
